

## Jacob and Esau Activity

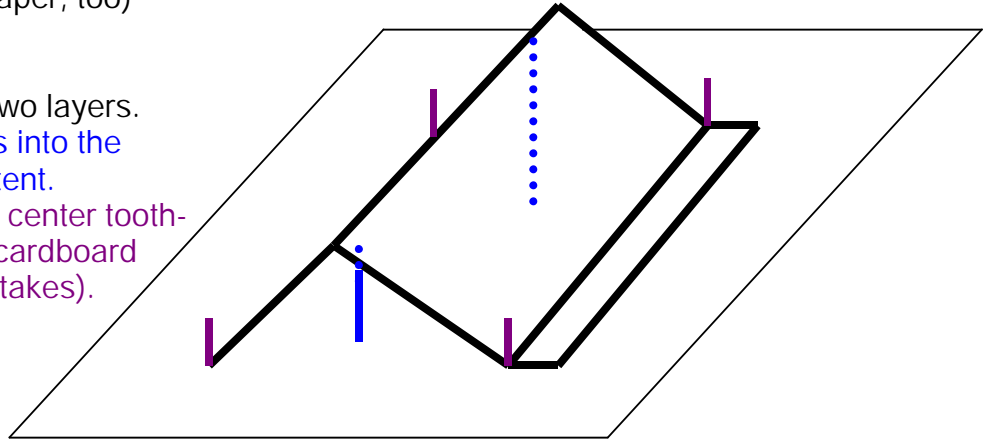

Make a tent (like Jacob lived in):

Either use blankets and furniture, or...

Supplies:

- Corrugated cardboard
- Toothpicks
- Scrap material (can use paper, too)

- 1) Fold cardboard so it is in two layers.
- 2) Poke two whole toothpicks into the Cardboard to hold up the tent.
- 3) Drape scrap material over center toothpicks and secure ends to cardboard with half toothpicks (tent stakes).

---

Make a bow and arrow (like Esau used):

Supplies:

- One Toothpick
- Rubber band (size according to twig - should be somewhat smaller)
- One flexible twig, cut to not more than six inches long
  - Child can help you find one!

- 1) PARENT ONLY: Cut slight notch into twig as shown (unless there is a handy natural notch or nub that will hold string in place).
- 2) Affix rubber band to twig as shown (over notches)
- 3) Try to shoot the arrow (toothpick). [Show child how to do it.]
  - a. **DO NOT POINT AT OTHER PEOPLE!!**
